Dr. Michael L. Yancey, Principal

Learning in every classroom, every student, every day.

October 18, 2021

Dear Parent/Guardian,

NC Check-Ins are interim assessments developed by the North Carolina Department of Public Instruction (NCDPI) that are aligned to North Carolina grade-level content standards in English language arts (ELA)/reading for grades 3–8 and in mathematics for grades 3–8. In ELA, each NC Check-In measures all grade level content standards assessed and increases in text complexity. For mathematics, each NC Check-In focuses on a selected subset of grade-level content standards.

The main purpose of NC Check-Ins is to provide students, teachers, parents, and stakeholders with immediate in-depth action data and a reliable estimate of students' current performance on the selected subset of content standards. A secondary purpose of NC Check-Ins is derived from their strong relationship with grade-level end-of-grade (EOG) summative assessment. Both the EOGs and NC Check-Ins share a common item bank, and performance on the NC Check-Ins serves as an early indicator of a student's level of preparedness for the EOG summative assessment.

This is the schedule for NC Check-Ins 1 administration:

NC CHECK-INS 1 ELA/READING	October 25, 2021 (Monday)
NC CHECK-INS 1 MATH	October 26, 2021 (Tuesday)
NC CHECK-INS 1 SCIENCE (5th grades only)	October 27, 2021 (Wednesday)
make-ups	October 28-29 (Thursday-Friday)

If you have questions or concerns about the NC Check-Ins, please contact your child's teacher.

Sincerely,

Dr. Michael L. Yancey
School Principal

Mission Statement:

Creswell Elementary seeks to create a constructive learning environment that encourages students to be lifelong learners and productive citizens by providing a personalized education for every student and collaborating with parents and community members.
