Dr. Michael Yancey

Principal

Washington County Schools welcomes CES new principal

Washington County Schools is pleased to announce the new principal of Creswell Elementary School, Dr. Michael Yancey of Creswell, NC.

Dr. Yancey is a graduate of Elizabeth City State University, University of Phoenix and received his doctorate from Northcentral University. He worked for Weldon City Schools, and Tyrell County Schools before moving to Dare County. He extends these words regarding his new position, "I am extremely excited and proud to be a part of the WCS family, the Creswell Elementary Family and the Creswell Community. I appreciate the trust that Dr. Carr and the WCS Board has extended to me and I will do my best to make Creswell Elementary School a place where students, families and staff are valued and we ALL can grow as learners, parents and professionals. I will honor the memory of Mrs. Maloney by vowing to continue the positive trends established at CES and open us up to even more love, growth, achievement and community involvement. I am looking forward to meeting the Tiger Cub family and moving into a great school year!"

CES holds open house

Students and parents of Creswell Elementary School showed up during the Open House held on August 20.

Returning students had a chance to meet their teachers and see their new classroom. A couple of new students were also welcomed during the said event. Classes will begin on August 23 requiring all students and staff to wear masks.

Back to School Fair kicks off Washington County Schools initiated a Back to School Fair. Last Saturday, August 14th, staff from different school sites come together to give school supplies, giveaways, and information about opening of classes. The JROTC and military has their booth as well. It was held at Washington County Middle School from 10:00 AM to 1:00 PM. Families also enjoyed the refreshments and games prepared by the district.

Dual Language Program continues

Creswell Elementary School will continue rolling its dual language program among kindergarten and first grade students this school year.

Under this program, students will be taught in a 50-50 curriculum. English Language and Arts and Math will be both taught in English and Spanish.

CES is planning also to offer Spanish as an elective to second grades up to fifth grades.

CES still accepts Pre-K students

Come and join the Tiger Cubs family! Registration for Pre-K is still going on. To register, your child must be 4 years old on or before August 31.
