Mr. Julius Walker, Jr.  
Interim Superintendent

*Washington County Schools is seeking quotes for a comprehensive assessment and instruction program that connects Diagnostic Data and Personalized Instruction.*

This one year contract must include the following components:

- Provides user-friendly dashboards and clear reports with **actionable data** that give teachers a foundational understanding of students' strengths and areas of need
- Enables educators to confidently determine each student's **on-grade level proficiency** based on state and national standards
- Delivers online lessons that provide **tailored instruction and practice** for each student to accelerate growth
- Supports teachers with **in-the-moment resources** for remediation and reteaching at individualized, small group, and whole class levels of instruction
- Is **research-based and proven to work**
- Includes **dedicated service and support**
- Must be able to interface with EVAAS and PowerSchool
