Title I-A is THE LARGEST federal program that provides funds to school districts and schools with high percentages of low income families which provides service programs for elementary, middle, and high schools. Title I-A eligibility is determined by the percent of students that qualify for free/reduced lunch. "Title I Part A of the Elementary and Secondary Education Act of 1965."

Title I helps students, teachers and parents!

WCS On The Web

Change of Phone Number

Parents and Guardians – Please notify the school's office personnel immediately if you are moving or if you have a phone number change during the school year.

Mr. Carlos Riddick - Chair At Large
Mr. Riddick believes that through his work with the Board of Education, he will be able to advocate for all involved in the educational system of Washington County, NC as we move forward into a productive and purposeful future for our young people.

Ms. Lois Clark - Vice Chair District 2 (Lees Mill) Ms. Clark believes in working together with stakeholders for the empowerment youth in various capacities of their academic journey.

Mr. Ruffin Gill - Board Member District 1 Mr. Gill believes in the African proverb, "It takes a village to raise a child."

Mr. Fred Norman - Board Member District 3 Mr. Norman believes children are our future and we should do what is needed to ensure they are challenged and prepared. With parents, schools and community working together it will happen.

Mr. Jerry Phelps – Board Member District 1 Mr. Phelps believes in being an advocate for children. He is on the school board to help support the schools in moving forward into the 21st century.

Superintendent

Ms. Yanisha Mann Greetings! We are excited to be working with the families of Washington County for another school year! We are looking forward to providing the best educational experience to all our community. Please come out to our next community meeting on Monday, January 28, 2019 at WCHS! Be apart of something great...WCS is **READY!**

Mrs. Jacqueline Maloney is the principal at Pines Elementary School home of the **“MIGHTY FLYING SQUIRRELS”**. She is from Paterson NJ and has 34 years of experience in education. She has earned degrees from Centenary University, William Paterson University, Kean University, University of Phoenix and Appalachian University. Her educational belief for

scholars is ... No one can make you feel inferior without your consent - Words Matter!

Mr. Tracy Peele is the principal at Creswell Elementary School home of the **“MIGHTY TIGER CUBS”**. He is from Williamston, NC and has 15 years of experiences in education. He has earned a bachelor’s degree from Mount Olive College and a master’s degree from University of Phoenix. His educational belief for scholars is ...

Never Quit!

Mrs. Dianne Stokes is the principal at Washington County Middle School home of the **“MIGHTY PANTHERS”**. She is from Scotland Neck, NC and has 34 years of experience in education. She has earned both a bachelor’s and a master’s degree from Elizabeth City State University. Her educational belief for scholars is ... All students can learn with Awesome

Instruction!

Mr. Cyrus B. Waters, Sr. is the new principal of Washington County High School the home of the **“MIGHTY PANTHERS”**. He is from Hendersonville, NC and has 15 years of experience in education. He has earned a bachelor’s degree from Shaw University and a master’s degree from

Andersonville Theological Seminary Gardner-Webb University His educational belief for scholars is ... Skies The Limit #WeAreOne

Mr. Rashard Curmon is the new principal at Washington County Early College High School the home of the **“MIGHTY WOLVES”**. He is from New Bern, NC and has 9 years of experience in education. He has earned a bachelor’s degree from Elizabeth City State University, a master’s degree from East Carolina University and

N. C. State University. His educational belief for scholars is ... The power of education has the capacity to destroy chains of poverty, provide and promote positive self-esteem and cause a generational legacy.

During recent Community Meetings, great ideas were presented to stakeholders centered on the forward moving direction of our schools.

Well...Look-A-Here! What does a 22nd Century school look like? How much does a new 22nd Century school cost? What would you like to see in a new 22nd Century school?

Full STEAM Ahead for the middle and high school grade levels and for the elementary grade levels including the **STEM** (Science, Technology, Engineering and Mathematics) incorporating more Art opportunities. What careers are tied to STEAM? How can STEAM benefit our community?

Better Brains – How does the brain react to a second language? What impacts does dual language have on academic achievement?

Dual Language Immersion Program – Having two languages for literacy and content instruction in the two languages happens at least 50% of the time.

Attendance in school and participation in class are an integral part of academic achievement and the teaching-learning process. Regular attendance develops

patterns of behaviors essential to professional and personal success in life.

WCS Child Nutrition Program

Washington County Schools through an agreement with the USDA offers ALL scholars free breakfast and lunch every school day. Please see the Washington

County Schools website for a daily lunch menu for our scholars. All of the meals offered meet or exceed national school lunch standards and provide fuel for learning. The goal of our lunch program is to provide scholars with food that will enhance learning. On behalf of the child nutrition staff, ALL scholars are invited to start their day off right by stopping in daily for a healthy breakfast and nutritious lunch. For more information, contact Mrs. Ladonna Mitchell, Child Nutrition Director at 252-793-5171

WCS Transportation Department

Here Comes The Bus
Welcome Aboard!

WCS has collaborated with Synovia Solutions, LLC. to provide a tracking app for our transportation fleet. With this app (downloadable

on your phone), you can find the precise location of your student while traveling on their assigned school bus. Click [HERE](#) to download the app on your Android or Apple device. Once you create an account, you will need our district code (which is **82281**) to complete registration. For more information, contact Mr. Wesley Stokes at 252-793-2568.

Ms. Terri Gallop, M.Ed., Coordinator of Communications Logistics and Grants publishes newsletters. Members of the staff provide editorial assistance. It is the policy of Washington County Schools that educational activities, employment programs, and services offered without regard to race, color, national origin, sex, religion, handicap or age. For more information please call 252-793-5171.
